BOC – 3 Forms

IncSmart Process Servers now file BOC – 3 Forms

(IncSmart District of Columbia) IncSmart is excited to announce that IncSmart Process Servers (Registered Agents), will now file form BOC – 3 for customers who are in the transportation business.

This “Blanket of Coverage” form is required for all individuals or companies in the business of moving goods and services. The form can only be file for the individual or company by the Process or Registered Agent.

An agent must be designated in each state where the carrier operates.

The FMCSA (Federal Motor Carrier Safety Administration) is an agency in the Department of Transportation, that regulates the trucking industry in America. The primary mission of the FMCSA is to reduce, crashes, injuries and fatalities involving large trucks and busses.

IncSmart has been serving companies as their agent for over 20 years. We recently added Puerto Rico to our list of states where Corporations and LLCs need to have agents appointed. Where ever you need an agent, IncSmart is there.
